

PARTNER AGENCY SPOTLIGHT

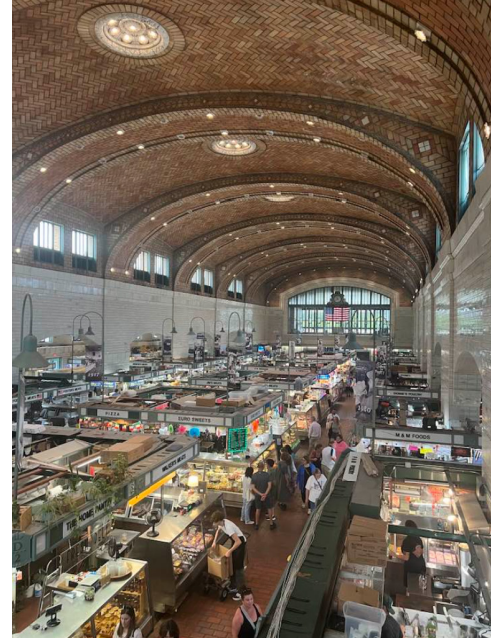

Cleveland Public Market Corporation (CPMC) is a non-profit focused exclusively on Cleveland's iconic public market. Under the direction of a committed Board of Directors, the nonprofit Cleveland Public Market Corporation is seeking to make West Side Market the nation's premier public market by meeting the evolving needs of merchants, customers, and the community.

Since opening to shoppers on November 2, 1912, the West Side Market- Cleveland's oldest continuously operating municipally owned market, has anchored the historic Ohio City neighborhood.

In 2008, the West Side Market was designated as one of "10 Great Public Places in America," by the American Planning Association and continues to offer an authentic and culturally diverse shopping experience. The West Side Market celebrated its Centennial in 2012.

Volunteer opportunities include market ambassador, survey collector, and helping run pop-up events.

Near West Theatre builds loving relationships and engages diverse people in strengthening their sense of identity, passion, and purpose, individually and in community, through accessible, affordable and transformational theatre arts experiences.

Near West Theatre has a unique identity as a grassroots, intergenerational theatre with an emphasis on serving the needs of individuals and our community.

Near West Theatre, along with Cleveland Public Theatre and the Detroit Shoreway Community Development Corporation, is a proud founding partner of the Gordon Square Arts District. The revitalization effort resulted in the addition of many new businesses and jobs, and the creation of a vibrant and diverse artistic hub on Cleveland's west side. We are honored to have so many wonderful partners in the District.

Volunteer opportunities include concessions volunteers and ushers.

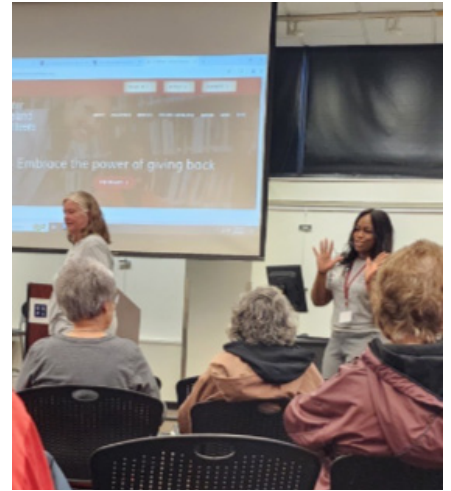

CUYAHOGA COUNTY PUBLIC LIBRARY HOSTS VOLUNTEER INFORMATION SESSIONS

On March 4th, Kirsten Frei-Herrmann and Ebony Spano gave a presentation on volunteering at the Beachwood Branch of the Cuyahoga County Public Library.

The history of volunteerism was discussed, along with volunteering statistics in the US and Ohio. The benefits of volunteering were also presented, from the people served, to the volunteers themselves, and the community. Volunteering is a win-win-win. The history of Greater Cleveland Volunteers was presented, as well as our impact in the community and how people can get involved.
